

Volunteering at Joy & Laughter Developmental Therapy

Thank you for your interest in volunteering at Joy & Laughter Developmental Therapy. Our mission is to provide children and their families with the support they need to be able to live as independently and joyfully as possible. We believe that every child has the potential and the right to develop and grow in a nurturing and fun environment. Our aim is to create age-appropriate growth and educational opportunities that are fun and enjoyable for all.

It is our hope that your volunteer experience will be a rewarding and enjoyable opportunity. Please complete and return all required documents. Upon receiving all the documents JLDtherapy will contact you to schedule a trial session. We require **All** potential volunteers to have a trial session in order for our occupational therapists to determine if you would be a good fit to volunteer weekly at our clinic.
