Announcement Center

This section is dedicated to providing you with updates. Whether it is an explanation of new policies, or simply reminders of old ones, please take the time to review this section.

If you have any questions, contact us at scheduling@jldtherapy.com

Scheduling

For any changes to your appointment, this includes scheduling an appointment, changing/canceling an appointment or any questions or concerns please email us at scheduling@jldtherapy.com.

24- Hour Advance Notice Fee

If you wish to change or cancel an appointment (either by phone or email) we require a minimum 24-hour advance notice. Anything less will result in a **\$50** fee charged to your account. It costs us money to make appointments available to you. Whether you attend or not we still accrue the expenses (for staff wages, rent, etc.). We don't charge you the actual cost for that appointment but rather a mere **\$50** fee. We do NOT make money with this charge; it's only to act as a deterrent from making last minute changes. Advance notice allows someone else (who needs it) time to reserve it in place of you. Please be courteous and responsible. Thank you.

Don't Spread your Illness

If you feel your child has an illness that might spread to other children or your therapist please keep your child home. If you arrive and they appear too sick to participate in therapy we reserve the right to send you home and charge you a late cancellation fee of **\$25**. We reserve the right to waive the **\$25** fee if you can provide the clinic with a valid doctor's note from the date of the cancelled appointment,

No-shows are bad

If you fail to show for an appointment without notice all future appointments will be removed and a **\$50** fee assessed to your account. You may re-schedule appointments again on a "first come, first serve basis."
